**I don't get sick anymore**

By Deborah Larson on October 21, 2016

I've had problems for YEARS getting sick with sinus and upper respiratory infections. It started with a cold and always built into something more. With the MANY benefits of cayenne, I'm feeling much better. My nose isn't constantly plugged anymore. I have limited post nasal drip, and I can sleep all night and breathe through my nose. This has definitely been a life saver for a long time

[Report abuse](#)**Strong, good, easy to take. Price and convenience - terrific!**By [David A. Burnet](#) on November 5, 2016Package Quantity: 1 **Verified Purchase**

Good stuff, easy to take.

Be sure to have eaten, first; and have a bit of something to eat after, is best.

I'm having good results.

The capsules must have dissolved or opened before they reached my stoamche and it was horrible. I had to make myself vomit.
